PROFESSIONAL SUMMARY

Dedicated and adaptable IT specialist with a strong foundation in software development, front-end technologies, and database administration. Highly adaptable with a proven ability to quickly learn new technologies and concepts as required. Proven ability to work collaboratively in teams, solve complex problems, and implement creative technical solutions. Seeking a full-time position or internship in software or web development to leverage my skills in modern web technologies and contribute to innovative projects.

TECHNICAL SKILLS

- **Programming Languages:** C, JavaScript, PHP, Python
- **Web Technologies:** HTML5, CSS3, React.js
- **Databases :** SQL, MongoDB
- **Soft Skills:** Quick learner, effective collaboration, strong communication, problem-solving

PROFESSIONAL EXPERIENCE

Web Development Intern | *Softzemini Infosolutions* July 2025 – August 2025

- Developed and optimized PHP-based web application features, focusing on secure login systems, database handling, and user interface enhancements.
- Gained hands-on experience applying PHP, SQL, and modern web development best practices in a professional environment.
- Collaborated closely with cross-functional team members to implement, test, and deploy new project features efficiently.

PROJECTS

MemoMate

- Developed a full-stack machine learning application to predict stock prices by evaluating Linear Regression, Random Forest, and LSTM models utilizing Python, Flask, Scikit-Learn, and TensorFlow.
- Engineered complex financial features (RSI, MACD, Bollinger Bands) which enabled Linear Regression to achieve the highest R^2 score by effectively linearizing the dataset.
- Built a robust web interface using React and Tailwind CSS, supported by a Node.js/Express backend and a MySQL database with Prisma ORM.

Note App

- Designed and developed a responsive single-page application using React.js.
- Implemented core features enabling users to seamlessly create, edit, manage, and access their personal notes.

EDUCATION

Master of Computer Applications (MCA) | *B.C. Roy College, Durgapur* 2024 – 2026

Bachelor of Computer Applications (BCA) | *Techno Main Salt Lake, Kolkata* 2020 – 2023

Intermediate Annual Examination (12th Grade) | *Lakha Interstariya Vidyalaya Barni (BSEB)* 2020
